Android Studio Setup ✕

Uninstall old version

A version of Android Studio is already installed. It is recommended to remove older versions
of Android Studio before continuing.

Found in: C:\Program Files\Android\Android Studio

☑ Uninstall the previous version
(Settings and configurations will not be deleted in this process)

Next >   Cancel

Android Studio Setup

Choose Start Menu Folder
Choose a Start Menu folder for the Android Studio shortcuts.

Select the Start Menu folder in which you would like to create the program's shortcuts. You can also enter a name to create a new folder.

Android Studio

- 7-Zip
- Accessibility
- Accessories
- Administrative Tools
- Android Studio
- Apache NetBeans
- Chrome Apps
- Games
- Git
- GitHub, Inc
- Java Development Kit

Welcome
Android Studio

Welcome back! This setup wizard will validate your current Android SDK and development environment setup. You will have the option to download a new Android SDK or use an existing installation. Once the setup wizard completes, you can import an existing Android app into Android Studio or start a new Android project.
